Sullivan-Sorrento Historical Society

To the Town of Sorrento:

On January 12, 1982, our Society became 10 years old. Our collection is housed in the exhibit room at the Recreation Center in West Sullivan. To date we have received 596 gifts, comprised of many hundreds of items. We have nearly completed our Donor's card file and in 1983 we will continue to work on a Catalogue of the collection. Gifts received in 1982 include many more old photographs, books, artifacts, ephemera, etc. Of particular interest are: (1) a collection of 19th century navigational charts, (2) a large framed photograph of Sorrento Harbor from the Sorrento Hotel (c. 1895), (3) a copy of the 1803 James Peters Field Notes and (4) many papers pertaining to the establishment of the Memorial Park in West Sullivan.

We were pleased once again to be able to furnish photographs for the covers of the two Town Reports. We hope that these photographs will inspire readers to participate in writing the Town History for the Sullivan Bicentennial in 1989 (Sorrento was part of Sullivan until 1895, as was the Sweetland section of Hancock until 1828). We welcome all information pertaining to churches, schools, stores, industries, inhabitants and other items of historical interest in the towns.

In 1982 we held meetings from April through October on our usual 3rd Wednesday of each month. Programs included reminiscences by Frances Estabrook and Hilda Davis, Mary and Harris McLean's advice on "Researching Your Property," Nancie Monteux Barendse's talk on Pierre Monteux and the Domaine School, author John E. Crayford's discussion of his books "All About Maine" and "The Penobscot Expedition" and an account of "The Sea and the American Revolution" by Dr. William J. Morgan, former Navy Senior Historian and head of the Historical Research Branch of the Navy Department's Naval Historical Society.

We hope to present equally interesting programs in 1983, starting with our first meeting on April 20th at the Recreation Center. Watch newspapers for announcements of these meetings April through October. Do plan to attend our meetings and participate in our programs.

Respectfully submitted,
Officers and Directors of the
Sullivan-Sorrento Historical Society

Frenchman's Bay Library

FOR THE SORRENTO TOWN REPORT

JANUARY 1983

The Frenchman's Bay Library Committee reports another increase in the number of families using the Library this past year. These new users come not only from Sullivan and Sorrento - towns the library serves as a free lending library - but also from surrounding towns, whose residents may obtain a library card for a nominal fee. It seems that our library has become increasingly important to the community ever since the State Bookmobile was discontinued.

As the basic costs of operating the library have risen steadily in recent years, the usual town appropriations and small stipend from the State meet an ever smaller percentage of the expenses and little remains for the purchase of new books. We are more grateful than ever, therefore, for the generous support of our fund-raising events and deeply appreciative of the several memorial gifts of money and donations of many fine new books for children and adults received this year.

Of the more than 8500 books now on our shelves, about 2000 are for children. The library also provides large-type books for readers with impaired vision and will obtain "talking-books" for those who cannot see to read. Recent periodicals and many recordings are also available for loan.

The library is open throughout the year on Tuesdays and Saturdays from 1:00 p.m. to 4:00 p.m., and at the same time on Thursdays from mid-June to mid-September, thanks to members of the committee and friends who volunteer their time to do this extra day in the summer.

Respectfully submitted,
Frenchman's Bay Library Committee

(207) 667-5518

February 7, 1983

Board of Selectmen
Town of Sorrento
Sorrento, Maine

We have examined the balance sheet of the Town of Sorrento, Maine as of December 31, 1982, and the related statements of revenues and expenses and changes in surplus for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Our examination has been made primarily for the purpose of formulating an opinion on the basic financial statements taken as a whole. The other data included in the report, although not considered necessary for a fair presentation of the financial position, results of operation or changes in fund balance in conformity with generally accepted accounting principles are presented for supplementary analysis purposes and have been subjected to the audit procedures applied in the examination of the basic financial statements and are in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In our opinion, the aforementioned financial statements present fairly the financial position of the Town of Sorrento, Maine as at December 31, 1982 and the results of its operation and changes in fund balances for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

Roger W. Dow
Public Accountant

State of Maine
Senate Chamber
Augusta, Maine 04333

To: The Residents of District #28
From: Senator Thomas R. Perkins

The 111th Maine Legislature convened on December 1, 1982, for its First Regular Session. The President of the Senate appointed me to again serve on the Appropriations and Financial Affairs Committee. Having served four terms on this Committee, I am the ranking Republican. As you may know, Appropriations and Financial Affairs is the most powerful committee of the Legislature, since all money matters must come before this committee. In the final days of a legislative session, this committee reviews all bills which have been placed on the Appropriations Table and suggests to Leadership which bills should receive passage.

I was also named a member of the Joint Select Committee on Gubernatorial Vote. This committee reviews the votes cast for Governor in all the several cities, towns and plantations of the State for the political years 1983, 1984, 1985 and 1986.

Two issues which I am particularly interested in are alcoholism services and corrections. I previously chaired the Joint Select Committee on Corrections and was actively involved during the prison lock-down. Corrections and our institutions are problems which we must deal with in the very near future. During the 110th Legislature I chaired the Joint Select Committee on Alcoholism Services. I am still a member of this committee.

I am sponsoring, or co-sponsoring, a number of bills this session, some of which are: a bill concerning open burning when there is snow on the ground; a bill clarifying the rights of health care providers; a bill exempting products used in agriculture and fishing productions from the sales tax; a bill establishing standards for residency to qualify for general assistance; a bill relating to tax credits for health education; a bill giving the towns the option to refuse hazardous waste sites; and a bill which reduces the fee for gathering and transporting brush from \$12 to \$5.

I may be reached at any time during the week at my State House number 289-2756. The Legislature also has a call-back number which you can use: 1-800-452-4601. If you leave your name and number, I will return your call as soon as possible.
